The Albright Memorial Library and St. Luke's Episcopal Church present a night of discussion on the book *Necessary Trouble: Americans in Revolt* by Sara Jeffe. "Necessary Trouble is the definitive book on the movements that are poised to permanently remake American politics. We are witnessing a moment of unprecedented political turmoil and social activism. Over the last few years, we've seen the growth of the Tea Party, a twenty-first-century black freedom struggle with BlackLivesMatter, Occupy Wall Street, and the grassroots networks supporting presidential candidates in defiance of the traditional party elites." The Zoom connection info will be emailed to attendees.
