GARDEN PROJECT SEEKING VOLUNTEERS

Do you have gardening experience and enthusiasm to share? Do you want to learn more about growing vegetables or flowers? Do you want to meet new people and help out our community? We hope you answered, yes, yes and yes. This is our 8th spring of planting, and we have donated 5000+ lbs of organically grown vegetables to the NP food pantry, but it takes volunteers to make it a success. If interested in being part of this rewarding project, fill out a volunteer application and return it to the Circ Desk. You can print out the application from our web site, or pick one up at the library.
