Little Builder's Party: For Ages 3-8
Join us for the Little Builders' Party! Children will use a variety of age-appropriate manipulatives to design, create, and build. Children will use their imaginations to build amazing structures while practicing socialization and cooperation. Registration is required.

Second Sunday with Friends Special Event: For Families
Bright Star Theater presents:
Holiday Songs From Around the World
Songs and stories come together for a truly magical wintertime show. We will hear favorite holiday songs from Africa to Mexico and everywhere in between. Registration is required.

The Curiosity Club: Magic Milk
For Pre-K - 3rd Grade
In this month's Curiosity Club, Miss Jenna will show us how colors "magically" move in milk with the help of dish soap. Registration is required.

Toddlers on the Move: For Ages 1-3
Toddlers enjoy creating sound and music, while moving and dancing to their favorite songs, fingerplays, and rhymes. Registration is required.

Danger Club: Snowstorm in a Jar
For Grades 4 - 6
Have you ever wished you could bottle up the beauty of fresh snow? Well, now you can! Join us to create your own snowstorm in a jar! We will explore the properties of matter and density in this fun science experiment. Registration is required.

Banned Book Club: For Grades 4-6
Led by Ms. Aubrey, this book club comes with a twist: we will only read books that have been challenged or banned! We will discuss the books, why they might have been banned, and the concept of censorship. Books and meetings will be done on a monthly basis! Registration is required.

Novel Thoughts: For Grades 3-6
This program introduces a variety of literature and involves children in activities that coincide with each session provided. We carefully select from classic stories, fables, popular series, graphic novels, and comics.

Scribble Society: For Grades 4-6
Join us while we create unique stories, poems, and more! Every month, we do a fun writing activity and create something awesome! Registration is required.

Creative Writing and Storytelling: Grades 2-6
With the guidance of Ms. Heather Tomlinson, children will create stories using their own drawings and writing from prompts such as books we read or games we play. Children will be encouraged to write and create at a level in which they feel comfortable. This series is intended to foster their creativity, imagination, and a simple love for storytelling. Registration is required.

Sensory Saturdays
For Children of all ages and abilities
Sensory play focuses on activities that engage your child's senses, helping them develop language and motor skills. It also helps with cognitive growth, fosters social interactions, and encourages experimentation.

All of our events are FREE and registration is required unless otherwise noted. Please call 570-348-3000 ext. 3015 to register weekly for reoccurring events.
