

The Garden Project ***at the North Pocono Public Library*** ***Volunteer Form***

(No Experience Necessary, Min Age 18}

If you are under 18 yrs and in search of volunteer hours, email Nicole Umbaugh at the address below to inquire about beginning and/or end of season workdays.

Thank you for your interest in helping with The Garden Project.

We tend 2 flower gardens and a vegetable garden. We also teach children's garden classes after story time during the summer. Our work season runs from March to November.

Volunteers come to the garden to weed, plant, water, harvest, etc. Work usually takes around an hour. Most volunteers come once a week on the same day and coordinate with others on that day as to a time. It's nice to build friendships in the garden.

Some volunteers come more than once a week. Some can come just a few times a month. We are appreciative of any help.

We meet the second Tuesday of the month 6-7pm at the library for a general meeting.

Please return the form below to the library front desk or scan and email to nicoleumbaugh88@gmail.com
