### WE LOVE THE LIBRARY!

February is Library Lovers Month! What you love about the library? We're inviting children, teens, and adults to tell us why they love coming to the library by writing it on a paper heart that we will hang up and display in the library. Help us fill the library with love!

Being a reader is revolutionary! In the spirit of the 250<sup>th</sup> anniversary of the United States' independence, we invite children, teens, and adults to discover how stories can spark ideas that can change yourself and the world. Grab a reading log at the circulation desk and return it to be entered in a raffle for prizes!

### READING STARTS A REVOLUTION
